

*Whoever brings blessing will be enriched,
and one who waters will himself be watered.* · Proverbs 11:25

The key to our success rests in people like you, who embody the spirit of greatness by saying, "Yes I can, and so can you!"

I want to tell you thank you even though words don't seem sufficient. Your gracious donation has allowed me to not only successfully complete two years of University but it has inspired me knowing that someone cares beyond belief. You didn't have to do it but I am thankful to God someone like you could help me get through.

When this season in my life comes to an end and I reflect, I will always think of you with a glad and grateful heart. To me you have done the world; hard times are now turned into times of pride and I know I managed only because you were by my side.

It is my hope and pray that as my journey continues you will always be there not only financially but with prayer and loving support. May the blessings of God be always with you and may he constantly remind you of Luke 6:38, which tells us, "Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you."

Once again, thank you!
